

HELP FILE

Thank you for purchasing "Film End Credits" through Envato.
This project file can be used in DaVinci Resolve.
No Plugins required.

Links to the materials used in the project:

I've used fonts - "Montserrat", "Bebas Neue", "Objective".

You can find here free version: <https://www.fontsquirrel.com/fonts/montserrat>
<https://www.fontsquirrel.com/fonts/bebas-neue>
<https://www.dafontfree.io/objective-font-family/>

Soundtrack you can find here:

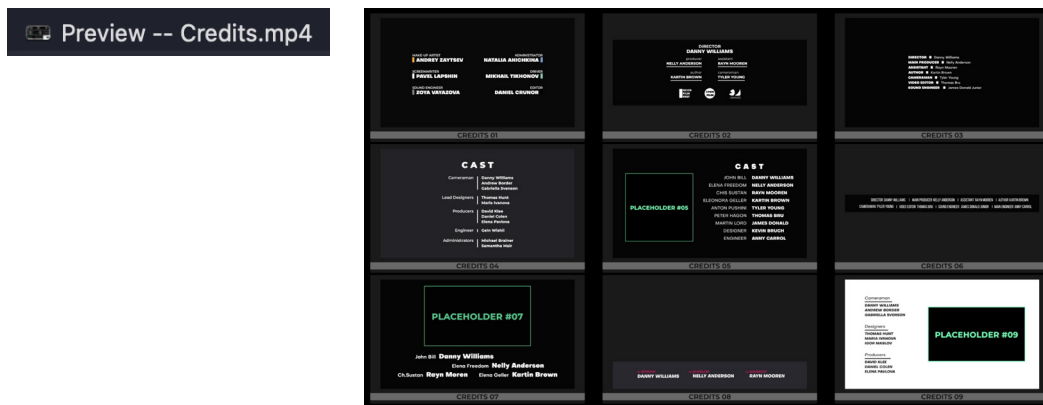

<https://audiojungle.net/item/science-technology/21601116>

■ Project files

The project has the next files:

01. Help – help text file.

02. Preview Panel – video clips. These clips help you to quickly browse through all the lower thirds and choose the one you like.

03. Working files – the folder with main working files.

■ How to install the project files

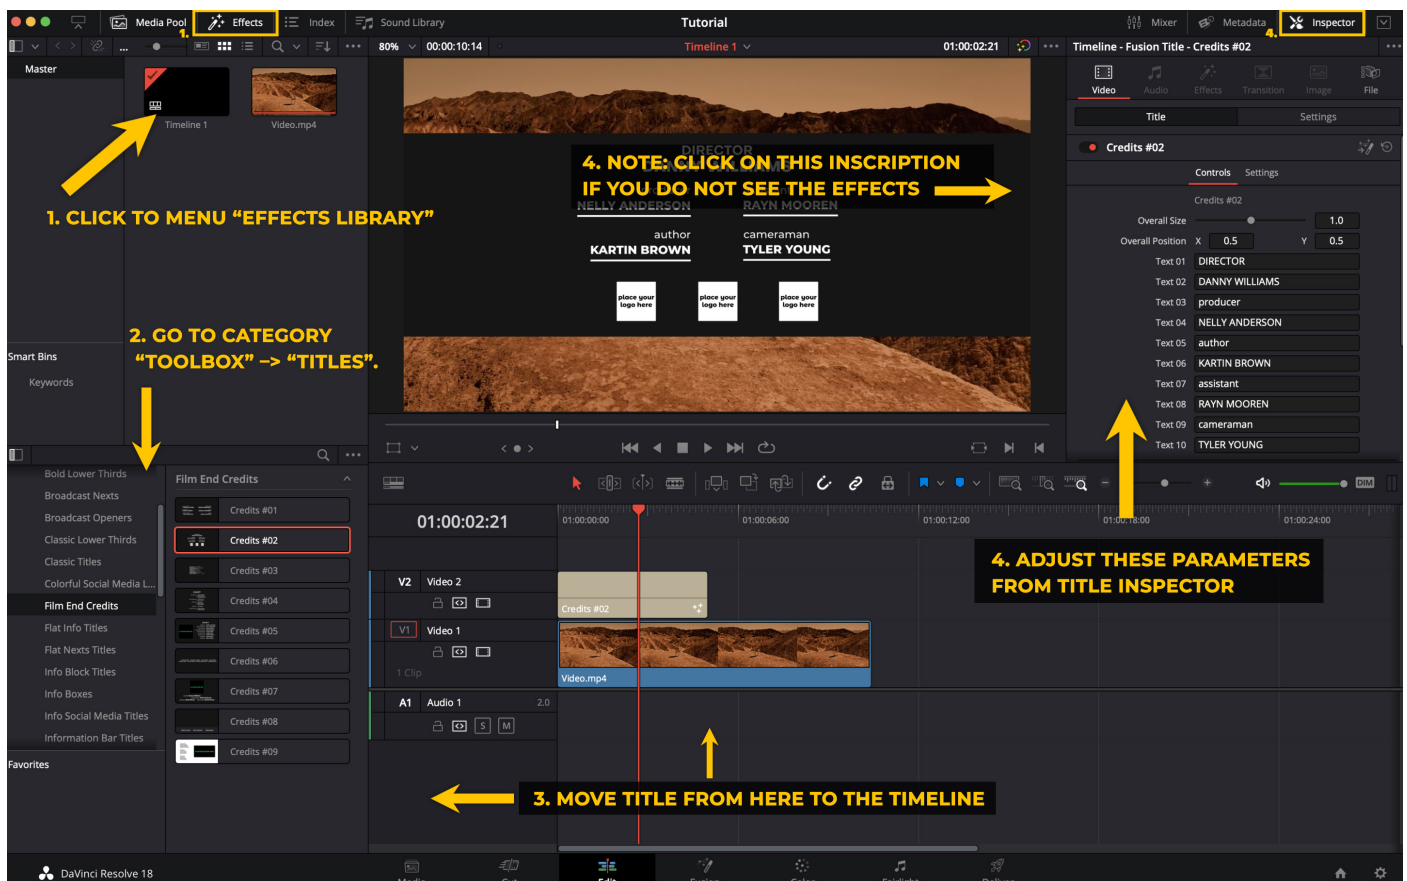

1. Open 03. Working files.
2. Double click on the file **"Film End Credits.drfx"** from folder.

Template and all files are installed in DaVinci Resolve automatically.

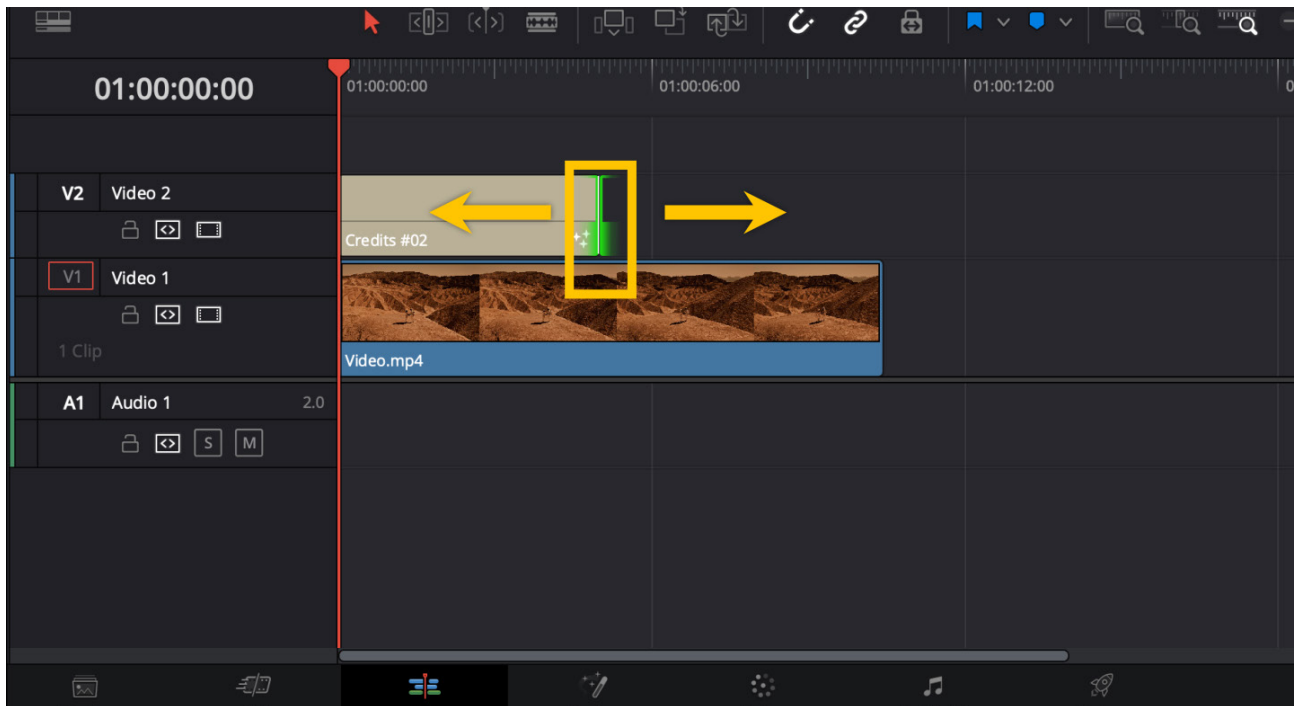

■ How to customize

1. Go to DaVinci Resolve.
2. Click to menu "Effects Library" (in the upper left corner) and go to category "Toolbox" → "Titles". Drag and drop it to the timeline.
3. Click on the title on timeline and go to menu "Inspector" (in the upper right corner) to change the settings.
4. Here, you can adjust setting as you want: edit and move text, change font, colors of text & graphic elements, etc.
If you want to hide unnecessary text just use the "Size" slider.

■ How to change the duration

1. Each title has the IN and OUT animation. For increase or decrease duration - just drag start / end edge of graphics (stretch it).

Thats all!

If you have any questions or need help customizing the project -
write me an email via my profile page or directly *imocean.motion@gmail.com*

I hope you enjoy! I wish you good luck and all good!

.....

Best regards, Imocean.
